

resisting resistance: targeted therapies in lung cancer - resistance: targeted therapies in lung cancer ... for which targeted therapies are not yet ... studies have provided insights into resistance mutations against third ... **resistance to targeted anti-cancer - link.springer** - targeted cancer therapies developed against various specific cancers. ... resistance to targeted therapy, and methods to overcome resistance, is a comprehen - **resistance to targeted therapies in melanoma: new insights** - resistance to the main targeted inhibitors. all the evidence suggests that in melanoma, as probably in ... targeted therapies. targeted therapies against mapk **resistance to targeted therapies in renal cancer: the ...** - resistance to targeted therapies in renal cancer: ... cluding harnessing the immune system against tumour cells by modulating the so-called checkpoint pathways. **resistance to targeted therapy in renal-cell carcinoma** - sites of action of targeted therapies are shown. (b) resistance to existing vegf-pathway ... of resistance argues against any permanent genetic or **overcoming resistance to her2-targeted therapy with a ...** - overcoming resistance to her2-targeted therapy with a ... targeted therapies directed at this receptor have ... we now report a bsab against the her2 tumor ... **new series ca, usa (ed) resistance to targeted anti ...** - of targeted cancer therapies developed against various specific cancers. these include drugs/anti- ... resistance to targeted b-raf therapies.- role of **tumor resistance against alk targeted therapy-where it ...** - tumor resistance against alk targeted therapy-where it comes from and where it goes ... targeted therapies are more selective and speciÃ-Ã-Ã towards their target, ... **issn 2218-4333 world journal of** - 120 targeted therapies in breast cancer: new challenges to fight against resistance masoud v, pagÃfÃs g minireviews 135 how best to manage gastrointestinal stromal tumor **erbb2-mutated metastatic non-small cell lung cancer ...** - lapatinib and masatinib (a tki with activity against c-kit, platelet-derived growth factor receptor, ... mechanisms of acquired resistance to targeted therapies, **resistance of renal cell carcinoma to targeted therapy** - targeted therapies. keywords: renal cell carcinoma, resistance, targeted therapy, ... resistance of renal cell carcinoma to targeted therapy 209 **gatekeeper mutations mediate resistance to braf-targeted ...** - cancer gatekeeper mutations mediate resistance to braf-targeted therapies steven whittaker,1 ruth kirk,1 robert hayward,1 alfonso zambon,2 amaya viros,1 **targeted therapy against cancer stem cells (review)** - light efforts in developing targeted therapies against specific cscs, ... resistance to these therapies, and explore the possibilities of **resistance to endocrine therapy in er+ breast cancer ...** - resistance to endocrine therapy in er+ breast cancer: insights from bedside to bench studies ... targeted therapies against mechanisms **mechanisms of resistance to egfr targeted therapies** - mechanisms of resistance to egfr targeted therapies gorjan hrustanovic, ... nal antibody directed against egfr that has been approved for **adaptive stress signaling in targeted cancer therapy ...** - adaptive stress signaling in targeted cancer therapy resistance ... of targeted therapies that act against these ... adaptive stress signaling in targeted ... **targeting cdk2 overcomes melanoma resistance against braf ...** - targeting cdk2 overcomes melanoma resistance against braf and hsp90 inhibitors ... ment of melanoma resistance to targeted therapies and would be **receptor-targeted glial brain tumor therapies - mdpi** - we discuss targeted therapies against gliomas with a particular focus on receptors. box 1. ... and resistance to therapy targeted therapies for glioma **use of metabolic pathway Ã-Ã-Ã,ux information in targeted ...** - use of metabolic pathway Ã-Ã-Ã,ux information in ... rently evolving targeted therapies against more ... network behavior in resistance to new targeted therapies in **exploiting vulnerabilities in cancer signalling networks ...** - mechanisms of resistance resistance to targeted therapies typicallyresults from the re-activation of ... these inhibitors are not effective against t315i ... **acquired resistance to targeted mapk inhibition in melanoma** - acquired resistance to targeted mapk inhibition in melanoma ... targeted therapies in the long-term treatment ... acquired resistance to targeted mapk inhibition in ... **molecularly targeted cancer therapy: some lessons from the ...** - resistance to targeted therapy, ... molecular basis of acquired resistance to molecularly targeted therapies ... against receptor tyrosine kinase her2 **jak1/stat3 activation through a proinÃ-Ã-Ã,ammatory cytokine ...** - the

emergence of molecularly targeted therapies against driver ... resistance to targeted drugs in oncogene-driven nslc cells, **resistance to her2-targeted anti-cancer drugs is ...** - resistance may also result in protection against cancer cell ... increased in cells with innate- or acquired-resistance to her2-targeted therapies; ... **ance r s ie cancer science & therapy - omics international** - above that cause resistance against first ... (2013) current molecularly targeted therapies against egfr ... (2013) current molecularly targeted therapies against ... **advances in treatment of lung cancer with targeted therapy** - advances in treatment of lung cancer with targeted therapy ... resistance to various targeted therapies and allow patients ... especially against known activating muta- **targeting pi3k/mtor overcomes resistance to her2- targeted ...** - targeted therapy independent of feedback activation ... both in vitro and in vivo against a panel of 48 ... including resistance to targeted therapies for both ... **telomerase targeted therapy in cancer and cancer stem cells** - tial resistance mechanism in telomerase ... and potentially efficacious against a ... as with other targeted therapies, some forms of telomerase targeting may ... **beaming sheds light on drug resistance** - ccr translations commentary on taniguchi et al., p. 7808 beaming sheds light on drug resistance josh lauring and ben ho park targeted therapies against somatically ... **molecular heterogeneity and receptor coamplification drive ...** - molecular heterogeneity and receptor coamplification drive resistance to ... targeted therapies have yet to substantially affect ... clonal antibody against her2 ... **resistance to targeted anti-cancer therapeutics 2** - resistance to targeted anti-cancer therapeutics 2 ... against surface-bound membrane antigens ... gene products that regulate resistance for novel targeted therapies. **cancer drug resistance: targets and therapies** - cancer drug resistance: targets and therapies ... rubrum, **protected mice and rabbits against lethal doses of ...** and resistance targeted chemotherapy ... **developing magsifter & nia to measure resistance to ...** - developing magsifter & nia to measure resistance to targeted therapy in ctcs ... resistance response 7 agents against vegf ... resistance to targeted therapies **strategies for overcoming acquired resistance to epidermal ...** - strategies for overcoming acquired resistance ... since acquired resistance to egfr-targeted therapies was ... egfr and appear to have selective activity against the **overview of fda-approved anti cancer drugs used for ...** - drugs for targeted therapies ... therapies were antibodies directed against the ... dermatofibrosarcoma protuberans of c-kit for resistance **tumor cell resistance against targeted therapeutics: the ...** - tumor cell resistance against targeted ... contributes to the cost effectiveness of cancer therapies.³ however, the responsiveness towards targeted drugs, even **resistant to targeted therapy** **aim for metabolic liabilities** - resistant to targeted therapy **aim for metabolic ...** this provided a rationale to develop targeted therapies against egfr. ... of resistance to targeted therapies. **an introduction to molecular targeted therapy of cancer** - an introduction to molecular targeted therapy ... this review introduces the reader into the concept of molecular targeted therapies, ... targeted against tyrosine ... **overcoming resistance to targeted therapies in nslc ...** - kinase inhibitors (tkis) specifically active against these mutated forms. ... resistance to targeted therapies resistance to targeted therapies is generally **targeted therapies in metastatic castration-resistant ...** - targeted therapies in metastatic ... cell survival pathways are critical for resistance to endocrine therapies and ... tubulin and stabilizes microtubules against ... **immunotherapy meets targeted therapy: will this team end ...** - targeted therapies against them; as well as the widespread ... adaptive resistance to targeted therapies in cancer. *transl lung cancer res* 2013;2:152-9. 19. **metastatic gastric cancer: what are the indications and ...** - metastatic gastric cancer: what are the ... targeted therapies against her2 in ... mechanisms of resistance to trastuzumab and other **priority research paper overcoming resistance to single ...** - demonstrate effectiveness of multiple meki against diverse braf ... indicates the need to understand mechanisms of resistance towards mapk targeted therapies in order ... **jak1/stat3 activation through a proinflammatory cytokine ...** - resistance to molecularly targeted therapy in non-small cell lung cancer ... the emergence of molecularly targeted therapies against driver mutations and gene **evolutionary dynamics of cancer in response to targeted ...** - evolutionary dynamics of cancer in response to targeted ... targeted therapies against many different types of cancer are ... no cross-resistance mutations ... **targeted therapy triggers complex mechanism of resistance** - targeted therapy triggers complex mechanism of resistance 21 september 2010 in order for targeted therapies against

cancer to be effective, scientists need to ... **to targeted braf inhibitors wnt5a enhances resistance of ...** - activity against brafv600k ... in melanoma tumors from patients who developed resistance to brafv600e-targeted therapies (as measured by disease progression) **university of groningen targeted therapy, molecular ...** - one of the targeted therapies that made its way into clinical research in ... in identifying patients with primary resistance against imatinib and that the early ...
